The following article appeared in the "Morning Freiheit" of November 15, 1960, on page 3, columns 1-2-3:

Morton Sobell - Ten Years Behind Bars

(The intensified fight for his liberation. -
National Conference in Washington this Saturday. - A
chat with Morton Sobell's mother in Los Angeles.)

by SARAH FEL-YELLIN (Los Angeles)

It is frightful to think that this victim of raging reaction and the cold war, Morton Sobell, has languished behind prison bars for ten years, first in Alcatraz, and recently in Atlanta, for a crime he never committed. Morton Sobell, a forgotten person!

It is true that there are committees here and there in the country. From time to time there is an action, but public opinion in the country is far from sufficiently aroused. They have gotten accustomed to the idea. But there are things we dare never become accustomed to, and which it is a sin to forget for even one minute!

Morton Sobell has aged not by ten years, but by many times ten. The Sobell family - Helen, his wife, Mark, his son, and Rose, his mother, every day, every minute, they experience the hell of insecurity, of hope and anxiety and disappointment. His old mother wanders around the country and arouses and pleads for aid for her son, for her dear, innocent

son - he must be saved. He has been away for ten unhappy years, sitting and waiting. Helen Sobell does not rest. Her cries of anguish, her appeal to wipe out the shame of conviction should reach every heart.

Morton is very brave - his dear ones report - he tries to console us. He has not lost his faith in people. He knows that outside the jail walls there are many friends. He has already studied the entire jail library. Today/ would be a scientist, a researcher, which he dreamed about. In the jail he is working in a weaving plant. It helps him pass the time.

A proud, suffering mother sits near me. She says not enough is being done. People forget - that a person is behind bars. She takes a few letters out of her purse and reads:

"Mark! (his son) In the sixth grade already. I recall when I was his age. 1923-1960. Who could have predicted such a change in the world. When a plane flew by people would rush to the windows. Now look at Asia and Africa. Who would dream this. Three wonderful decades. And one of them I languished behind bars! It is unbelievable, Mark! It is difficult to draw this picture for him. When I was in Alcatraz I didn't even see him. It is often difficult to conceive reality.

Once a month - his mother says - we can see him. So we take turns, Helen and I. Mark is 11 already. He is beginning to understand the explanations. In Atlanta Penitentiary he is permitted to enter. He sees Morton, but it is difficult to tell what a child is thinking. He is 11 years old, but he matured before his time. He does a great deal of thinking.

The Sobell mother suffers for the whole family. She doesn't give up even when her feet give out. But when she is surrounded by friends and active workers, she is rejuvenated. Recently she came to Los Angeles as a guest of the local Morton Sobell Committee. The organization in this city represents the entire States of California, Arizona and Nevada. It is quite active. At the banquet in honor of

Rose Sobell, it was stated that the broad "clemency action" for Morton Sobell will come to a climax with a big mass meeting of delegates from the whole country in Washington, on November 19th, 20th and 21st. The President will be visited and a petition submitted.

Christmas is the traditional amnesty period and it is hoped that after 10 years in jail Morton Sobell deserves to be freed. Morton Sobell, the innocent victim, who is still young enough to serve his country and his people with knowledge and faithfulness! After all, they have just freed people who confessed to their guilt (Klaus Fuchs and Allan Nunn May).

Prominent Americans, of all walks of life, are working for Morton's liberation. Among them are: Norman Thomas, Rodger Baldwin, Reverend Fritchman, Dr. Harold Urey, Carlton Bills, innumerable rabbis, civic and union leaders, and others.

It was learned, recently, that the fight for Sobell's liberation was joined by the well-known Negro Minister and courageous fighter against racism, Dr. Martin Luther King.

Morton Sobell is well-informed about everything that happens outside the jail walls. His is deeply concerned over the fact that fascism, the swastikas are not viewed with the necessary alarm. They are too lenient with former fascists. They try to white-wash them, to justify their acts and even to picture them to the American people as patriots of their country. Here is what Morton Sobell wrote in a letter to his mother:

"I see that they are making a movie about the fascist von Braun. They are making a hero of the creator of the German 'V-2' rocket. Von Braun's explanation was: Germany was his fatherland and it was his duty to help her! Such is the moral standard of society today. The murder of six million Jews is not included in the picture. Germany was his country and this explains everything. The time will come when such morality will no longer be acceptable and people will live with a morality which will not justify barbarism because of the accident of birth!"

NY 100-21

I reread this paragraph. I listened to the patient believing mother and I believed that Morton Sobell, the victim of the frightful period of McCarthyism, will soon be free. Together with his wife and child, with his wonderful mother and all his friends throughout the country and throughout the world, with joy and faith, he will work for a new life, with a new, humane morality of justice and peace.

The clemency action, on November 19th, 20th, and 21st, and the gathering in Washington, D.C., dare not remain the activity of a committee or committees - it must permeate organizations, unions, clubs and rearouse the need for significant action - visit Congressmen, write to the President, invite speakers from the local Morton Sobell committees and raise as much financial support as possible - in order to advertise widely the new possibilities for the freeing of Morton Sobell.

COMMITTEE TO SECURE
JUSTICE FOR MORTON SOBELL

A source advised on March 11, 1953 that the Boston Committee to Secure Clemency in the Rosenberg Case had its inception in June, 1952.

Another source stated on February 8, 1954 that during the fall of 1953 the Boston Committee to Secure Clemency in the Rosenberg Case changed its name to the National Rosenberg-Sobell Committee. This same source stated on March 5, 1954 that the National Rosenberg-Sobell Committee was last active in the Greater Boston, Massachusetts area in July, 1953.

A third source advised in February, 1958 that the Committee to Secure Justice for Morton Sobell was activated during the first part of 1958 in Boston.

This third source stated that the aims and purposes of the above-captioned committee were to gain the release from Alcatraz of MORTON SOBELL, to gain his freedom and cancellation of the remaining years of his sentence and to protest the conviction and confinement of MORTON SOBELL.

The first source stated on March 11, 1953 that the Boston Committee to Secure Clemency in the Rosenberg Case had been dominated and controlled by the Communist Party since the inception of this committee in June, 1952.

The Communist Party, USA, has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

[REDACTED] b2d

The third source indicated in February, 1953 that the Communist Party had ignored MORTON SOBELL and referred to his appeal as "too hot for them to handle" lest their public support of his case cause embarrassment to the Communist Party.

This third source advised in January, 1959 and again in January, 1960 that the last meeting of the Committee to Secure Justice for MORTON SOBELL took place in Sharon, Massachusetts on July 12, 1953.

"About 250 people attended the cocktail party and it was noted that everyone seemed to be drinking although no one appeared to be drinking to excess. The cocktail party was social in nature and the banquet in the West Ballroom of the Hotel Shoreham was scheduled to commence at 7:00 P.M., but did not start until about 7:30 P.M. About 300 people attended the banquet and the seating area consisted of a head table for the Chairman and speakers and circular tables for the other guests, which tables accommodated about 10 people each.

[REDACTED] 61

"There were four women representatives from the Women's International League for Peace and Freedom from Philadelphia, Pa., present at the banquet, but their identities were not known.

"GERHARD VAN ARKEL, Attorney, Washington, D.C., was listed in the program as Chairman, but he was not present and it was announced that he had sent a telegram stating that important legal work conflicted with his attendance at the banquet. He was replaced as Chairman by an attorney from Chicago who is affiliated with the National Lawyers Guild and whose name is STEPHEN LOVE.

"The following individuals were listed on the program as speakers but did not speak:

"BURNS CHALMERS, American Friends Service Committee, Washington, D. C.

"HAROLD A. CRANFIELD, Attorney, Detroit, Michigan, who was not present.

"Rabbi JACOB J. WEINSTEIN, National Chairman of the Committee for Labor Israel, Chicago, Illinois, who was not present.

PH 100-37667

"LOVE stated that he was very familiar with the MORTON SOBELL case and he feels deeply that SOBELL was innocent of the charge of conspiracy to commit espionage. LOVE said that if he had the slightest doubt of SOBELL's guilt he would not have associated himself with the SOBELL case.

"LOVE then introduced prominent clergymen who are among the sponsors of the National Committee for Clemency for MORTON SOBELL. He introduced about 15 or 20 ministers, among whom was Rev. PETER MC CORMICK, who was Protestant chaplain at Alcatraz Prison when SOBELL was a prisoner there. Each of the ministers stood up and acknowledged his introduction.

"It was noted that there were no Negro ministers introduced and it was further noted that only about four or five Negroes were in attendance at any of the affairs over the weekend of November 19, 20 and 21, 1960.

"Chairman LOVE then introduced the principal speaker, Rev. JOHN PAUL JONES of Ashfield, Massachusetts, whom the Chairman referred to as a great religious leader.

"JONES said that he has been following the MORTON SOBELL case very closely although he does not know MORTON SOBELL personally and, in fact, has never seen SOBELL. JONES continued that he did not believe that SOBELL was guilty of conspiring to commit espionage as had been charged by the United States Government.

"JONES recalled that he had been stationed in Brooklyn, New York, at the time of MORTON SOBELL's arrest, and that HELEN SOBELL, the wife of MORTON SOBELL, contacted him and asked his opinion as to how she should arrange for her husband's legal defense. He added that he helped her in securing legal aid and also said prayers on behalf of MORTON SOBELL.

"Mrs. HELEN SOBELL was the last speaker of the evening. She said that she wanted to contact President EISENHOWER and persuade EISENHOWER to grant executive clemency to MORTON SOBELL so that he may be home with his family for Christmas and eventually have his name cleared completely.

"Mrs. HELEN SOBELL also said that she wanted to thank the wonderful people who had attended the banquet from such places as Massachusetts, New York City, Buffalo, New York, Cleveland, Ohio, and San Francisco, California, and she particularly wanted to thank the Washington, D.C., Sobell Committee, which was the host committee, in arranging the National Appeal for Freedom for MORTON SOBELL. The banquet ended at approximately 11:00 P.M.

"Arrangements had been made for Attorney LOVE to appear on STEVE ALLISON's radio show during the last evening of November 19, 1960, and, accordingly, LOVE left the banquet before it was over and Mrs. HELEN SOBELL acted as Chairman for the balance of the banquet.

"At 2:00 P.M., Sunday, November 20, 1960, a panel on the 'Facts and Issues in the Sobell Case' was scheduled in the West Ballroom of the Hotel Shoreham. This was the same room in which the banquet had been held the previous evening. Approximately 200 individuals were present at this affair and chairs were arranged in rows to accommodate those in attendance.

[REDACTED]

"Although the program described the Sunday afternoon affair as a panel, it actually consisted of a talk by Professor THOMAS EMERSON of Yale University Law School.

"The Chairman of the Sunday afternoon session was a minister from Seattle, Washington, whose identity was not learned.

"EMERSON, in his opening remarks, said that he did not know MORTON SOBELL personally and did not know enough about MORTON SOBELL to decide whether or not SOBELL was guilty of conspiracy to commit espionage as charged. EMERSON added, however, that he disagreed with the method employed by the United States authorities to return MORTON SOBELL from Mexico for prosecution.

"He said that MORTON SOBELL had been in Mexico on vacation with his family and had rented an apartment in his true name. While SOBELL and his family occupied this apartment, Agents of the Mexican Government broke into the apartment, beat up SOBELL, and hauled him off to prison. Subsequently, the Agents of the Mexican Government turned over SOBELL, his wife, and children to the United States immigration officials in the United States - Mexico border, at which place the FBI took SOBELL into custody, handcuffed him, and took him to jail.

"EMERSON said that he disagreed with the abduction of SOBELL by the Mexican Agents and he also disagreed with the Mexican Agents physically beating SOBELL even when SOBELL did not put up any resistance.

"EMERSON continued that SOBELL has now served almost ten years in prison of his thirty-year sentence. He said that it is customary, when an individual has been a model prisoner, that he be eligible for parole at the expiration of one-third of his sentence, but in SOBELL's case, even though he has been a model prisoner, he apparently has no hope for parole.

"EMERSON said that as far as he knows MORTON SOBELL has exhausted every legal avenue to obtain his freedom and EMERSON knows of no other legal means open to SOBELL to obtain his freedom. EMERSON said that the United States Supreme Court has turned down SOBELL's plea for a retrial.

"EMERSON claimed that, even though the United States Government made a mistake in convicting MORTON SOBELL, it cannot now admit this mistake because such an admission would imply that JULIUS and ETHEL ROSENBERG were not guilty of conspiracy to commit espionage for which they were executed. EMERSON said that the principal witness against SOBELL, MAX ELITCHER, was a notorious liar and that SOBELL's conviction should not be based on the testimony of such an individual.

"EMERSON talked for approximately one hour and was followed by Mrs. HELEN SOBELL. She said it was true that she and her husband went to Mexico, but she claimed that they went there on vacation and rented an apartment there in their true names. She did admit that she and her husband went to two other places in Mexico where they stayed under assumed names, but she claimed that this did not indicate guilt or flight. Mrs. SOBELL said that when she and her husband went to Mexico they did not know that they were under suspicion and that they had not been subpoenaed. She said that she and her husband were not running away because as far as they knew they had nothing to run from.

"A question and answer period followed and one of the questions was why MORTON SOBELL failed to testify at his

"trial. HELEN SOBELL answered this by saying that MORTON SOBELL, himself, wanted to testify but that his attorney advised against his testifying because of the prejudiced atmosphere of the times. She added that if MORTON SOBELL knew then what he knows now he would have insisted on testifying on his own defense.

"Following the above meeting, approximately 100 of those in attendance rode in three or four chartered local Washington, D.C., buses to the vicinity of the White House where they participated in a prayer meeting outside the White House. This meeting was led by Rev. ALVA TOMPKINS who led a prayer that President EISENHOWER would grant executive clemency to MORTON SOBELL, which was followed by a silent prayer by those present. Following the prayer meeting, those participating paraded in front of the White House for a short time. Those participating in the parade carried no signs and created no disturbance. The prayer meeting and demonstration ended at about 6:00 P.M.

"Only a few individuals planned to remain through Monday, November 21, 1960, to contact congressmen and senators on behalf of MORTON SOBELL's release.

ministers and two lawyers attempted to see President Eisenhower at the White House to present him with the volumes of signatures including 1500 clergymen who were requesting freedom for Morton Sobell. Since the delegation was unable to see the President they asked for a member of his staff with the result that because one of the eight ministers in the group was acquainted with the White House chaplain the group met with the chaplain and gave him the volumes of signatures, which the chaplain, Reverend Fox, said he would refer to the Department of Justice.

Helen Sobell spoke of the crowd at this Washington, D.C. rally and how inspiring it was to see them marching around the White House. She also mentioned that while in Alcatraz Morton Sobell had not been permitted to receive Christmas packages but after his transfer to the Atlanta penitentiary he was permitted to receive Christmas packages, a bible and books. Helen Sobell said that she and her two children planned to visit Morton Sobell for two hours on Christmas and two hours on New Year's.

A collection was made but the amount realized was not announced. A plea was made for volunteers to help the Philadelphia Sobell Committee in its work but no one was observed to respond.

A second source related that at the meeting described above an exhibition called "Americans Appeal for Morton Sobell" was on display [REDACTED] b7D

[REDACTED] This exhibit consisted of newspaper and periodical clippings, photostatic copies of appeals and letters sent by Morton Sobell to members of his family.

L. I. STAR JOURNAL, TUES. NOV. 22, 1950

7 L. I. Ministers Deny Signing Sobell Plea

Seven Long Island clergymen today denied signing a petition to President Eisenhower to free convicted atom spy Morton Sobell of Flushing from prison.

They were among 16 ministers and rabbis named as signers by the Rev. Peter McCormack of San Francisco, a Presbyterian minister for 30 years and Protestant chaplain at Alcatraz federal prison during Sobell's confinement there.

The appeal, according to the Rev. McCormack, was signed by 1,200 of "America's most eminent ministers and rabbis."

Three of the clergymen named said they had signed the appeal or one similar to it. Six could not be reached.

A MAJORITY said they had

received literature from a group called The Committee for Clemency for Morton Sobell.

McCormack's statement concerning the appeal came in the wake of a weekend of activities in Washington, D. C., aimed at winning freedom for Sobell.

The former radar engineer was convicted as an accomplice of executed spies Julius and Ethel Rosenberg. He is serving the 11th year of a 30-year sentence in Atlanta Federal Prison.

Two hundred persons demonstrated in front of the White House Sunday in behalf of Sobell.

A group of Protestant ministers recited prayers and Biblical passages as the demonstrators marched back and forth along Pennsylvania avenue.

DENYING they had signed the appeal were: the Rev. A. Nelson Doak, Jackson Heights; the Rev. Elbert M. Parkhurst, Woodhaven; the Rev. Frederick Reustle, Richmond Hill; the Rev. John Dykstra, Locust Valley; the Rev. H. Paul Guhse, Wantagh; the Rev. Edward W. Levin, Freeport, and the Rev. William F. Houston, Huntington Station.

The Rev. Levin said that, after seeing his name published as one of the signers, he sent a telegram to President Eisenhower stating his belief that should serve his full prison term.

Claim Sobell Innocent 1960, Page 3

Clergymen Ask Ike To Free Atom Spy

Sixteen Long Island clergy-
men and rabbis today joined an
appeal to President Eisenhower
to free convicted atom spy
Morton Sobell.

Sobell, former Flushing-Hill-
crest radar engineer, is serv-
ing the 11th year of a 30-year
sentence in Atlanta federal
prison.

The appeal to Eisenhower,
according to the Rev. Peter
McCormack of San Francisco,
a Presbyterian minister for
more than 50 years and Protes-
tant chaplain at Alcatraz dur-
ing Sobell's imprisonment
there, was signed by 1,200 of
"America's most eminent min-
isters and rabbis."

The Rev. McCormack stated
he became convinced of Sobell's
innocence while at Alcatraz.

THE JOINT statement of

the religious leaders pointed
out that throughout his im-
prisonment Sobell has main-
tained his innocence.

"When a trial reflects the
national tensions of the day,"
said the statement, "the
verdict may suffer from
prejudice or unreason, too dif-
ficult to dismiss."

"Every American who thinks
about his own freedoms can-
not help but concern himself
when the question of this kind
of an injustice is raised."

Sobell was convicted in 1951
with the executed Soviet atom
spies Julius and Ethel Rosen-
berg.

Signers of the appeal for ex-
ecutive clemency or a new trial
for Sobell were:

Queens: Rev. Kenneth R.
Baldwin, Flushing; Rev. A.
Nelson Deak, Jackson Heights;
Rev. Merle W. Leak, Belle-
rose; Rev. John A. Lewis, Hol-

November 28, 1960

Dear Sir:

The enclosed two articles were printed in the Long Island Star Journal, a local newspaper, the main office being at 42-26 28th Street, Star Square, Long Island City 1, New York. The first appeared on Monday, November 21st, entitled "Clergymen Ask Ike To Free Atom Spy" in which my name is cited as one of the sixteen Long Island clergymen who signed an appeal to President Eisenhower to free convicted atom spy, Morton Sobell.

I would like to make it a matter of record that I never signed any such appeal. My name was used without my consent and I strongly protest the above action on the part of any medium of communication. I did receive a letter asking me to endorse this appeal. I read the letter and destroyed it. I do not know the source from which the letter came or where the Star Journal received its erroneous information.

The second article was printed in the Star Journal on Tuesday, November 22nd. It was entitled "7 L. I. Ministers Deny Signing Sobell Plea." While this retraction may undo some damage, it cannot eradicate all the injury done to me personally and to the good name of the historic First Reformed Church of Newtown. Therefore, I respectfully request that it be made a matter of record with your agency that I emphatically disclaim ever attaching my name, either privately or publicly, to any statement regarding the Sobell case.

For your further information, I am unalterably opposed to Communism. I have always opposed its philosophy and, with God's help, I always shall oppose it.

Thanking you for any courtesy you may grant me in this matter, I am

Gratefully yours,

W. A. Nelson Doak

"Widge suggested I write to check something with you. She says you might know more specifically that exact origin of a report that the National Council of Churches appealed to President Eisenhower about numerous matters, including the Sobell case, which should be cleared up before the Summit. We checked with the Council here, but could find no indication that such was the case. Would you know what report this was, and who made it?

1800 Join Appeal

Clergy and Lawyers Appeal To Like to Release Sobell

WASHINGTON, D.C. — An appeal in Federal Court today to free imprisoned scientist Morton Sobell after leaving office was made on Monday by more than 1,200 clergymen of different faiths who have joined in the request. A similar request was made previously by 600 lawyers and educators.

The appeal to the President, signed by many of America's most prominent religious leaders, stated:

"Whereas human beings are involved in matters of judgment and justice, they do not exist the possibility of human error. Most particularly when a trial reflects the national traditions of the day, the suffer may suffer from prejudice or misreason, too difficult to fathom. Every American who thinks about his own freedom cannot help but concern himself when the question of the kind of an injustice is raised.

"It is imperative, therefore, that throughout the imprisonment, Morton Sobell has proclaimed his innocence. Moreover, thirty years is a lifetime sentence; that the mother, wife, and children of Morton Sobell have with him.

"It is the quality of mercy that we, who feel the conscience of the United States as a particular responsibility, hold you, Mr. President, to ask that you use your great office to urge a new trial for Morton Sobell, as granted chemistry by commutation of his sentence.

The appeal was made public

by a delegation of representative clergymen who had come to Washington to speak with government officials about the request for action in Sobell's behalf. It had been initiated on the West Coast by Reverend Peter McCormack of San Francisco and other California clergymen.

Reverend McCormack, a Presbyterian minister for more than 50 years, was Protestant Chaplain at Alcatraz during Morton Sobell's imprisonment there, and became convinced of his innocence. He has since been working to bring the conscience of the country to obtain Morton Sobell's release.

During the past weekend a National Appeal for Freedom was held in Sobell's behalf in Washington. It featured an exhibit on the Sobell case at the Hotel Sheraton, a banquet addressed by nationally known speakers which was attended by more than 250 persons, a prayer at the White House on Sunday, and a panel discussion on facts and issues concerning the much discussed imprisonment of Sobell.

The Washington weekend (Continued on Page 11)

SOBELL

(Continued from Page 12)

program was sponsored by a nationally known scientist, Dr. Richard Nisbet, and Dr. John C. Brainerd of the Union Theological Seminary in New York, Roger Baldwin, Chairman of the International League for the Rights of Man; Norman Thomas; and Rev. Martin Luther King, Jr.

Last week another independent appeal — one by 600 education lawyers, writers and other Americans — was made public. Asking the President to free Sobell were such individuals as Clarence Feltus of the American Friends Service Committee; Harold Cramfield, attorney and general counsel for the International Union of United Auto Workers; author James T. Farrell; Dr. Harold C. Urey; Nobel Prize scientist, and Alexander Meiklejohn, civil liberties.

Morton Sobell is now at the White House Federal prison, ending the 11th year of his 30-year sentence. Last week D.C. Circuit Court Judge, who had pleaded guilty to charges of conspiracy, constant espionage, was released from prison after serving 10 years. Many who have studied the record have criticized the 30-year sentence imposed against Sobell as being far out of proportion to offenses given to such persons as Humphrey, Elton Fuchs and Allan Weiss May in England, and to Francis Powers in the recent U-2 episode.

A special inquiry into the Sobell case was made by an independent group that included Dr. P. M. S. Baker, and Professor Edmund Galt of the New York University Law School. The group called the case against Sobell "vague in nature and slender in proof," and recommended a commutation of sentence.

This letter is to advise interested offices where individuals from their territories were connected with the activities and where WFO files do not show that the offices have been otherwise advised.

On 10/31/60 [REDACTED] Shoreham Hotel (conceal by request), furnished a brochure containing the program for the Freedom Week End. This brochure described the week end as a "Convening of Americans United in the Request that MORTON SOBELL be Granted a Commutation of Sentence during the Traditional Christmas Amnesty." b7d

The brochure listed the program for the week end as:

Exhibit, open to the public from 11/18/60 to 11/20/60, Shoreham Hotel.

Reception for visitors and honored guests, Saturday, 11/19/60, 5:30 p.m., Shoreham Hotel.

SOBELL Freedom Banquet, Hotel Shoreham, 7:00 p.m., 11/19/60.

Panel, Hotel Shoreham, 11/20/60, 2:00 p.m.

White House Prayer, White House, 6:00 p.m., 11/20/60.

Delegations - a day of visiting government representatives, 11/21/60.

The names listed below as coming from the brochure were not necessarily at the Freedom Week End.

New York has been furnished a copy of the brochure previously.

On 11/21/60 [REDACTED] United States Department of Justice, advised SA [REDACTED] that seven people had visited him on 11/21/60 to appeal for the release of MORTON SOBELL. They gave him a mimeographed copy of a petition which they said was being delivered to the White House. The petition bore sixteen pages of names, single spaced, all of which were preceded by the title Reverend or Rabbi, except for a very few who were preceded by the title Doctor or Professor. These people will be identified below where the name [REDACTED] is listed as the source. b7d

The brochure also contained a statement by a group of people who concurred in the plea for SOBELL's freedom and called upon their fellow citizens to help. The signers of this statement will be identified below by the phrase "Appeal for Freedom."

Thompson On 11/21/60 [redacted] and [redacted] of the White House Police, assigned to the West Gate, advised SAs [redacted] and [redacted] that eleven people, led by Rev. ALVA THOMPSON, 1625 North Orchard St., Chicago, Illinois, Mrs. ROSE SOBELL and HELEN SOBELL, visited the White House on 11/21/60 to request permission to present a petition to President DWIGHT D. EISENHOWER to secure the release of MORTON SOBELL. About an hour and a half after the group came to the West Gate, Rev. THOMPSON and MILTON ANDREWS from Seattle, Washington, were chosen from the delegation to see Rev. FREDERICK FOX of the White House staff to present the petition to him. The petition asked that the President use his office to urge a new trial for MORTON SOBELL or grant him clemency by commutation of his sentence. The people of this delegation will be identified below by the use of the names [redacted] and [redacted] as the source. *Te* *b2d*

On 11/23/60 [redacted]

The following persons by offices were recorded to be connected as indicated with the Freedom Week End. As stated above, all of these people were not reported to be in attendance in Washington, D. C., at the time. *b2d*

Albany, New York

The brochure contained a "Statement by Distinguished Theologians and Law Professors After Independent Inquiry into the Facts in the SOBELL Case." This statement was signed by those who believed that the sentence of MORTON SOBELL should be commuted. [redacted] -communists. Their statement said they are not connected with any organization, committee or group of any kind concerned with the ROSENBERGs or with SOBELL. They stated after study of the case, certain considerations warranted the commutation of the very heavy sentence SOBELL is serving.

[redacted] signed this statement along with six New York people.

b7c On 11/22/60 [REDACTED] b7d WFO Panel Source, advised SA [REDACTED] by written report, dated 11/20/60 [REDACTED] that Professor THOMAS EMERSON was the b7d principal speaker at the panel discussion on 11/20/60. He reviewed the case of MORTON SOBELL and was non-committal about the guilt or innocence of SOBELL. He said at the outset of his talk that it was based on the evidence as he found it. Discussing this evidence fully, he told the audience that there was room for doubt as to the charge of conspiracy which jailed MORTON SOBELL.

New York, New York

On 11/22/60 Panel Source [REDACTED] furnished SA [REDACTED] a written report, dated 11/20/60 [REDACTED] that Mrs. HELEN SOBELL spoke at the panel discussion on 11/20/60 and denied any complicity on the part of her husband and said that "time would prove him innocent." She, b7c b7d like Professor EMERSON, went into detail describing the evidence against SOBELL.

On 12/6/60 [REDACTED] b7c b7d Emery-Georgia Hotel, 1812 G Street, N. W., advised SA [REDACTED] that a LEAH SCHNEIDER telephoned from New York on about three occasions for reservations.

for a group on 11/19/60. [REDACTED] stated that about eleven or twelve were in the group, and a search of his records reflected the following names. He stated that the registrations are now filed alphabetically and do not contain the time of registration. [REDACTED] from memory, stated he thought all of those listed were in the group. He was not sure about GAMBINO and only listed her because she registered on 11/19/60. He was ~~fully~~ *pretty* sure that the rest were in the group. He stated that he was aware that the group was here for a conference at the Shoreham Hotel. He stated that AARON KATZ often stays at the Emory-Georgia; in fact, he was there on 12/6/60. He stated that ROSE SOBELL also stays there but was last there in the Summer of 1960. *add*

[REDACTED] stated that although he is not sure of all of them, the following names were in the group from New York to the best of his recollection and from a review of hotel records. All registered on 11/19/60:

MARGARET BLAU, 627 West 164th Street, New York City
 MARIAM CHESMAN, 985 Waring, Bronx, New York

The first sentence read as follows:

"It is frightful to think that this victim of raging reaction and the cold war, MORTON SOBELL, has languished behind prison bars for ten years, first in Alcatraz, and recently in Atlanta, for a crime he never committed."

The article reviewed the action being taken on behalf of MORTON SOBELL, mentioned his family, and ended by urging the reader to "visit Congressmen, write to the President, invite speakers from the local Morton Sobell Committees and raise as much financial support as possible" to advertise the possibility of freeing MORTON SOBELL.

The August 15, 1960, issue of The San Diego Union, a daily newspaper published at San Diego, California, carried the following article entitled "Sobell Conviction Scored by Urey":

"The 1951 trial and conviction of MORTON SOBELL for atomic espionage is an example of 'petty childishness and hysteria' the United States should avoid in the cold war struggle for equilibrium, a Nobel Prize-winning scientist and atomic bomb-maker declared here yesterday.

"Dr. Harold C. Urey, professor of chemistry at the University of California at La Jolla, spoke at a meeting of the San Diego Sobell Committee.

"It is important we keep our heads in the decades of cold war to come and not go off the deep end persecuting some small individual somewhere," he said.

"He told an audience of 75 persons, in the Community Unitarian Fellowship Hall at 4561 North Avenue, Sobell should be paroled at the proper time and steps be taken to correct judicial processes so similar situations will not arise again...

"Ways to prevent repetition of the case, declared Urey, are abolition of capital punishment, more objective judicial methods and stricter controls over newspaper court coverage.

"He criticized Federal Judge Irving Kaufman's handling of the Sobell trial and praised British jurisprudence as superior to ours in its maturity and objectivity.

SD 100-9380

"Urey won a Nobel Prize in 1934 for his discovery of the hydrogen atom with an atomic weight of two, and was a research director in the atomic bomb-making Manhattan Project."

SD T-2 advised on August 15, 1960, that on August 14, 1960, a meeting was held under the auspices of the San Diego Sobell Committee (SDSC) at 4561 North Avenue, San Diego. The main speaker at this affair was HAROLD C. UREY of the University of California who spoke at length on the injustice of MORTON SOBELL's conviction on espionage charges. The chairman of the meeting was MILTON LESSNER, who also spoke with his main theme being a defense of Cuba's FIDEL CASTRO. A third speaker was HOWARD GIBSON who spoke in the defense of SOBELL.

SD T-2 said that approximately sixty persons were present at the meeting, and it was announced that \$260.00 had been collected through donations and pledges.

[REDACTED] b7D

SD T-6 and SD T-7 advised on September 6, 1960, that on August 14, 1960, the SDSC held a breakfast at the CUF hall, San Diego. ARTHUR STEVENS, [REDACTED] b7D served the breakfast. Dr. HAROLD C. UREY gave a lengthy history of the MORTON SOBELL case and said that the case was one of the greatest miscarriages of social justice he had ever witnessed.

SD T-8 and SD T-1 advised on September 15, 1960, that a meeting [REDACTED] b7D

[REDACTED] reported on the SDSC breakfast given at the CUF hall, San Diego, on August 14, 1960. b7D Dr. UREY, main speaker at the event, stated that about 100 people attended and \$245.00 was collected.

SD 100-9380

Connections with the Communist Party, Socialist Workers Party, and Communist Front Organizations

SD T-4 advised on November 18, 1960, that at the last breakfast held by the SDSC at the CUF hall, San Diego, on August 14, 1960, MILTON LESSNER, chairman of the SDSC, stated that he hoped SOBELL would soon be released from prison and then the SDSC would not have to function any more.

SD T-4 advised on December 2, 1960, that he had received no information concerning any activity by the SDSC since the committee held its breakfast at the CUF in August, 1960.

SD T-4 advised on January 24, 1961, that he could furnish no information concerning recent activity on the part of the SDSC. SD T-4 stated that to the best of his knowledge, the SDSC has no regular membership and holds meetings only on occasions when the SOBELL movement needs to raise funds or when someone such as SOBELL's wife comes to San Diego for a speaking engagement. He said it is his understanding that announcements of pending activities of the SDSC ^{are} usually made at the CUF meetings or meetings of the SDCCP.

SD T-1 advised on December 2, 1960, that MILTON LESSNER is chairman of the SDSC. SD T-1 said that it is his understanding that the SDSC has no regular membership but that it announces any scheduled activities through meetings of either the CUF or of the SDB-SWP. SD T-1 further said that the SDSC holds no regularly scheduled meetings, but only has meetings on isolated occasions when some dignitary of the Sobell Committee comes to the San Diego area to visit or speak, or when the national Sobell Committee needs additional funds. On January 16, 1961, SD T-1 advised he could furnish no information concerning recent activity on the part of the SDSC.

SD T-3 advised on January 23, 1961, that he could furnish no information concerning recent activity on the part of the SDSC. SD T-3 said that the SDSC is a loosely-knit organization headed by MILTON LESSNER; that the SDSC has no

SD 100-9380

organized membership, but rather announces at meetings of the SDCCP or at meetings of the CUP activities which it intends to hold. He also advised that the SDSC seldom holds any functions or has any meetings except in the event the national committee needs funds or someone such as HELEN SOBELL visits in San Diego.

The 1949 report of the California Committee on Un-American Activities cited the "National Guardian" as a publication, launched in New York in 1948 aiming at national circulation, which it found to be from its inception notoriously Stalinist in its staff, writers, management and content. (1949 report of the California Senate Fact Finding Committee on Un-American Activities, page 394.)

The masthead of the "National Guardian", issue of May 14, 1956, reflects that it is published weekly by Weekly Guardian Associates, Incorporated, 197 East 4th Street, New York City.

Re: Committee to Secure Justice
For Morton Sobell

COMMITTEE TO SECURE JUSTICE
FOR MORTON SOBELL

"Following the execution of atomic spies Ethel and Julius Rosenberg in June 1953, the 'Communist campaign assumed a different emphasis. Its major effort centered upon Morton Sobell,' the Rosenbergs' codefendant. The National Committee to Secure Justice in the Rosenberg case - a communist front which had been conducting the campaign in the United States - was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October 1953 and 'then as the National Committee to Secure Justice for Morton Sobell in the Rosenberg case'"

("Guide to Subversive Organizations and Publications" dated January 2, 1957, issued by the House Committee on Un-American Activities, page 60.)

In September, 1954, the name "National Committee to Secure Justice for Morton Sobell" appeared on literature issued by the Committee. In March, 1955, the current name, "Committee to Secure Justice for Morton Sobell," first appeared on literature issued by the Committee.

The 1959-1960 Borough of Manhattan telephone directory lists the "Committee to Secure Justice for Morton Sobell" as being located at 940 Broadway, New York, New York.

Source furnished a letter dated August 13, 1960, with letterhead CSC and addressed to "Dear Friend". This letter made reference to the fact that the summer season is a season in which financial support for organizations such as the CSC completely lapses. It was requested that the recipient of the letter consider the financial dilemma of the organization and be as helpful as possible. The letter also made much of the fact that an opera would be presented by the Northwestern players at Northwestern University and the CSC had purchased the whole house for the evening performance of Sunday, October 30, 1960. Tickets were priced at \$2 each. The above letter was signed by DAVID L. SOLTNER for the Committee.

ALVA TOMPKINS, Chicago Minister,
Acting in Behalf of MORTON SOBELL

Reverend ALVA TOMPKINS as of February 11, 1960, was Chairman of the American Forum for Socialist Education (AFSE) in Chicago.

[REDACTED] b7d

On November 21, 1960, [REDACTED] and [REDACTED] b7D
[REDACTED] of the White House Police, assigned to the West Gate, b7D
advised [REDACTED] and [REDACTED] b7C that
Reverend ALVA TOMPKINS of Chicago, Illinois, was one of the
individuals who led a group of people to the White House on
November 21, 1960, to request permission to present a petition
to President DWIGHT D. EISENHOWER to secure the release of
MORTON SOBELL. Reverend TOMPKINS was one of two chosen from the
delegation to see Reverend FREDERICK FOX of the White House staff
to present the petition to him. The petition asked that the
president use his office to urge a new trial for MORTON SOBELL or
grant him clemency by commutation of his sentence.

Source furnished a letter dated November 10, 1960,
from CSC, 208 North Wells Street, Room 309-1, Chicago, Illinois.
The letter was addressed to "Dear Friend".

The letter discussed the planned "freedom week end"
scheduled to be held in Washington, D.C., during the period of
November 19-21, 1960. It was noted that Chicago activity in
connection with the "freedom week end" involved the printing of
18,700 pieces of literature and a mailing to 3,500 ministers and

rabbis in the Chicago and Illinois area. It was further noted that over 350 clergymen had joined the 'appeal to the President on behalf of MORTON SOBELL' which was the best response from any area in the U.S. It was noted that the foregoing activity had cost the committee \$592 and it further noted that the expense of the delegation of clergymen and representatives to the 'freedom week end' would be \$500.

It then noted that the above activities had left the committee 'strapped and in debt' and an appeal was made for funds.

[REDACTED] b7d

On November 16, 1960, a source furnished a letter received by the source on the letterhead of Committee to Secure Justice for Morton Sobell. The letter read in part as follows:

"Dear Fellow Lawyer:

"I would like to call your attention to a Washington event of possible interest to lawyers.

"There has been an increasing belief that an injustice was done in the case of Morton Sobell, now in his 11th year of confinement and under a 30-year sentence imposed on a charge of conspiracy to commit espionage in the Rosenberg case. An independent inquiry by a group that included Dr. Reinhold Niebuhr of the Union Theological Seminary and Professor Edmond Cahn of the New York University Law School resulted in the conclusion that the case against Mr. Sobell was 'vague in content and slender in proof' and that the sentence should be commuted."

The third paragraph stated that Professor THOMAS I. EMERSON of the Yale Law School had made a study of the case and will present his views in a panel discussion at Washington, D.C. on November 20, 1960. It mentioned that this was part of a national appeal for freedom of MORTON SOBELL. The author of the letter, MALCOLM SHARP, Professor of Law, University of Chicago, maintains in the letter that it was a matter close to his heart and he hoped that the addressees would avail themselves of the opportunity to hear the case discussed. The source was of the opinion that the letter was sent to the attorneys on the Lawyer's Directory.

AMERICAN FORUM FOR SOCIALIST EDUCATION,
Also Known as American Forum

According to an article appearing in the May 13, 1957 issue of the "Daily Worker", page 1, column 2, A. J. MUSTE, "well known pacifist," announced the formation of the American Forum for Socialist Education (AFSE). According to this article, the American Forum seeks to promote "study and serious untrammelled political discussions among all elements that think of themselves as related to historic socialist and labor traditions, values and objectives. . .however deep and bitter their differences may have been."

This article reflects that a forty member National Committee had been established and, according to MUSTE, these persons served as individuals and not as delegated representatives of any group.

MUSTE, according to this article, stated that the American Forum is not a membership organization and does not propose to promote united action by various parties or groups, mergers or new organizations.

The article reflects that among other purposes, the AFSE seeks to call attention to the various publications of the groups whose people engage in discussion; to publish bulletins or pamphlets; to organize regional and national conferences; contribute to the building of new morale and ethic, a spirit of fair play, labor militancy, determination and hope among the progressive and radical forces in this country.

The "Daily Worker" is an East Coast Communist daily newspaper which suspended operation on January 13, 1958.

On May 24, 1960, Reverend ALVA TOMPKINS, Chairman of the AFSE in Chicago, Illinois, [REDACTED] b7E
[REDACTED] TOMPKINS stated that while the AFSE originated in New York, no guidance or control has ever been exercised by the AFSE in New York over the AFSE in Chicago; however, the AFSE in Chicago has been guided by the precepts of the New York group.

TOMPKINS stated that the AFSE is a broad forum which includes members from various "liberal groups" on its executive committee including such persons as FRED FINE and JACK SPIEGEL.

According to a source, FRED FINE is a former member of the National Committee, Communist Party, USA (CP), who resigned in October, 1958, from the CP because of policy differences.

According to a second source, JACK SPIEGEL was a member of a shoe workers group in the Johnstone Section, CP of Illinois, until the latter part of 1955, at which time he officially dropped out of the Party because he had signed a Non-Communist affidavit with the National Labor Relations Board.

The CP, USA, has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

CHICAGO COMMITTEE TO DEFEND THE BILL OF RIGHTS

The Chicago Committee to Defend the Bill of Rights (CCDBR) maintains headquarters in Room 811, 189 West Madison Street, Chicago, Illinois.

A source, on October 31, 1960, advised that the CCDBR was formally launched as an organization at a meeting held in Chicago, Illinois on October 26, 1960. Officers named at this meeting were Rev. WILLIAM T. BAIRD, Executive Director, and RICHARD CRILEY, Executive Secretary. The stated purpose of this new organization was the abolishment of the House Committee on Un-American Activities (HCUA).

Concerning the Rev. WILLIAM T. BAIRD, it is noted that a letterhead of the Midwest Committee for Protection of Foreign Born (MCPFB) dated May 19, 1960, identifies BAIRD as Honorary Chairman of the MCPFB.

Concerning RICHARD CRILEY, it is to be noted that CARL NELSON, 3093 West North Avenue, Chicago, Illinois, on May 5, 1959, appeared before a Subcommittee of the HCUA at a hearing held on that date in Chicago, Illinois. During the course of his testimony, CARL NELSON admitted to Communist Party (CP) membership for the period from 1934 - 1949, and during the course of his testimony advised the Committee that RICHARD CRILEY was known to him as a member of the Section Committee of the CP of the Packinghouse Industry, while he, NELSON, was a member of the CP.

The first source, on October 27, 1960, advised that RICHARD CRILEY had commented that the Chicago Committee to Defend Democratic Rights (CCDDR) "is no more" and that soon a meeting of the CCDDR "associates" will be held and the CCDDR formally dissolved. All assets of the CCDDR will be turned over to the CCDBR and the new organization will continue to utilize the same office space, mailing address, and other facilities of the CCDDR.

A second source advised on October 28, 1960 as follows:

b7d

CRILEY noted that for the first time since the Civil Rights Congress (CRC) there has been created a nationally co-ordinated drive against the "eroding of the First Amendment in the American way of life." The concentration point in this drive is the HCUA since it is the "arch that ties all other things together."

It is to be noted that the CP, USA and the CRC are organizations which have been designated by the Attorney General of the United States pursuant to Executive Order #10450.

**CHICAGO COMMITTEE TO DEFEND DEMOCRATIC
RIGHTS, formerly known as the Chicago Joint
Defense Committee to Defeat the Smith Act**

The Chicago Committee to Defend Democratic Rights (CCDDR) maintains offices in Room 811, 189 West Madison Street, Chicago 2, Illinois.

A source advised on April 15, 1958, that the Chicago Joint Defense Committee to Defeat the Smith Act (CJDC) was formed by the Communist Party (CP) in March, 1956.

A second source advised on July 17, 1958, that at a working conference of the CJDC held on June 8, 1958, at Chicago, Illinois, the name of the CJDC was changed to the CCDDR. The purpose of the CCDDR, according to its "Statement of Principles and Organization" was to "....defend and extend the human rights embodied in the Bill of Rights....and to put an end to the political and racial persecutions which threaten American democracy today."

The second source further advised on May 18, 1960, that as of May, 1960, the CCDDR continued to function within the framework of its stated principles and that in accordance with its "Statement of Principles and Organization" had a number of "Working Committees" which included the Chicago Smith Act Families Committee, South Side Freedom Committee and Taft-Hartley Working Committee. The source further stated that as of May, 1960, RICHARD CRILEY was serving as the Executive Secretary of the CCDDR.

RICHARD CRILEY, according to a third source, was a member of the State Committee, CP of Illinois, as of May, 1960.

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

CHICAGO COUNCIL OF AMERICAN SOVIET FRIENDSHIP

[REDACTED] b7D
[REDACTED] made available in January, 1954, the "First Annual Report CCASF", an undated publication which stated that the Chicago Council of American Soviet Friendship (CCASF) was incorporated in July, 1943. This document stated, "The Council's affiliation with the National Council of American Soviet Friendship (NCASF) was validated August 11, (1943). The present name was adopted to conform to standard national practice. It should be noted, however, that the Chicago Council is entirely autonomous; the government of its affairs rests exclusively in the hands of its Chicago Executive Board."

[REDACTED] b7D

This same source also advised on May 25, 1960, that the CCASF remains affiliated with the NCASF for the purpose of implementing its stated aims of peaceful co-existence and friendship with the U. S. S. R., but continues to consider itself autonomous in the government of its affairs and program for achieving these aims. Although the CCASF considers itself autonomous in this regard, the leaders of the CCASF are frequently in contact with and its program closely follows that of the NCASF.

The NCASF has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

**CHICAGO SOBELL COMMITTEE, Also Known As Chicago
Committee to Secure Justice for Morton Sobell**

On September 27, 1960, a source stated that the address of the above captioned organization is Room 309-1, 208 North Wells Street, Chicago, Illinois.

Source advised on May 23, 1960, that the Chicago Sobell Committee, which is also known as Chicago Committee to Secure Justice for Morton Sobell, and was formerly known as Chicago Rosenberg-Sobell Committee and Chicago Committee to Secure Justice in the Rosenberg Case, is a small group of volunteers who do Sobell fund raising and programing in the Chicago area. The Chicago Committee, since its inception in 1952, has been an affiliate of the Committee to Secure Justice for Morton Sobell, which is also known as the National Committee to Secure Justice for Morton Sobell and was formerly known as the National Committee to Secure Justice in the Rosenberg Case, with headquarters in New York.

Source said that to his knowledge this committee has no full-time employees nor any volunteers who have national positions or titles. DAVID SOLTKER and SYLVIA LEVINSON appear to be the guiding forces behind this committee and they are assisted by GERTRUDE SOLTKER, wife of DAVID SOLTKER, and former chairman of this committee who continues to be active in Sobell activities.

Another source advised during May 1960, that the Chicago Sobell Committee maintains a bank account at the Amalgamated Trust and Savings Bank, 111 South Dearborn, Chicago, Illinois, and that DAVID SOLTKER is listed in this bank account as the Secretary of the Chicago Sobell Committee.

The above information cannot be made public except in the usual proceedings following issuance of a subpoena duces tecum.

~~The files of the Special Committee on Un-American Activities, House of Representatives, as reviewed in August, 1943, reflected that the names of DAVID and GERTRUDE SOLTKE~~
~~appear as signers on the Communist Party (CP) election petition submitted to the State of Illinois in 1940.~~

~~Another source in 1943 advised that GERTRUDE SOLTKE~~
~~1943 was a member of the CP.~~

~~Another source furnished information in 1949 which indicates that at that time SYLVIA LEVINSON was Vice Chairman of the Congress of American Women.~~

The CP and the Congress of American Women have been designated by the Attorney General of the United States pursuant to Executive Order #10450.

**COMMITTEE TO SECURE
JUSTICE FOR MORTON SOBELL**

"Following the execution of atomic spies Ethel and Julius Rosenberg in June, 1953, the 'Communist campaign assumed a different emphasis. Its major effort centered upon Morton Sobell', the Rosenbergs' codefendant. The National Committee to Secure Justice in the Rosenberg case - a communist front which had been conducting the campaign in the United States - was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October, 1953 and 'then as' the National Committee to Secure Justice for Morton Sobell in the Rosenberg case'. . . ."

(Guide to Subversive Organizations and Publications" dated January 2, 1957, issued by the House Committee on Un-American Activities, page 60.)

In September, 1954, the name "National Committee to Secure Justice for Morton Sobell" appeared on literature issued by the Committee. In March, 1955, the current name, "Committee to Secure Justice for Morton Sobell", first appeared on literature issued by the Committee.

The 1959-1960 Borough of Manhattan telephone directory lists the "Committee to Secure Justice for Morton Sobell" as being located at 940 Broadway, New York, New York.

FAIR PLAY FOR CUBA COMMITTEE
CHICAGO CHAPTER

A source advised in October, 1960, that the Chicago Chapter of the Fair Play for Cuba Committee (FPCC) was formed during the summer of 1960 at Chicago, Illinois, under the direct guidance and leadership of RICHARD CRILEY, a member of the State Committee, Communist Party (CP) of Illinois. The Chicago Chapter, FPCC, maintains no headquarters at Chicago, but receives mail through Post Office Box 4555, Chicago 80, Illinois. Its meetings are held in public halls or homes of individual members.

A second source, in August, 1960, furnished a leaflet entitled, "What is Really Happening in Cuba?", distributed by the FPCC, Post Office Box 4555, Chicago 80, Illinois. The aims and purposes of the FPCC as set forth in this leaflet include the following: "To disseminate the truth, to combat untruth; to publish and distribute factual information which the United States mass media suppresses. In general, to contribute to foundations for peace, friendship and understanding between ourselves and the Cuban people." The leaflet reflects the FPCC plans to accomplish these aims: "By mailing of informational bulletins; organizing public meetings and forums; providing speakers, movies and slides for meetings of interested organizations; placing ads in newspapers; to visit Cuba and see for themselves what conditions really are."

[REDACTED]

the membership dues in the FPCC were \$5 per year a

[REDACTED]

This same source advised that as of October, 1960, this Committee continued to exist, with the same aims and purposes and under the same direction.

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960 edition of the "New York Times", a daily New York City newspaper, carried a full page advertisement captioned "What is Really Happening in Cuba?" The article maintained that the United States press has made certain charges against Cuba which are not true and the Fair Play for Cuba Committee was organized to tell the truth about Cuba in the interest of fair play. The advertisement closes with a note which states "This public appeal for fair play for Cuba has the support of a group of thinking individuals holding a variety of political persuasions, representing no one but themselves, linked here by a single common concern for the overriding principle of justice, which is always an issue whenever partisan interests clash with simple truth."

**COMMITTEE FOR FREEDOM OF THE PRESS, also known
as Illinois Committee for Freedom of the Press**

A source advised on May 23, 1960, that the Illinois Committee for Freedom of the Press (ICFP) was formed in the latter part of November, 1951, and then, as now, was composed of a band of Communist Party (CP) members and sympathizers, who activate when fund raising drives and subscription campaigns are necessary for the welfare of "The Worker".

Another source advised on May 23, 1960, that the Committee for Freedom of the Press, also known as the Illinois Committee for Freedom of the Press, cannot be separated from the CP itself. It is not an organization as such with a program, elected officers, offices, etc. In fact, it is an arm of the CP and in the main is used by the CP to further the subscription drives of "The Worker" and for the CP to utilize as a name only to sponsor CP meetings which otherwise would have to be held under the announced sponsorship of the CP.

This source advised in May, 1960, that the purpose of the use of the name Freedom of the Press Committee, instead of the CP, at meetings is to increase attendance by those individuals who otherwise would not attend if the meetings were in the announced sponsorship of the CP.

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

"The Worker" is an East coast Communist weekly newspaper.

ILLINOIS COMMITTEE FOR PEACEFUL ALTERNATIVES

Source, on May 20, 1960, advised that the Illinois Committee for Peaceful Alternatives (ICPA) was founded at the St. James Methodist Church, 4611 South Ellis Avenue, Chicago, Illinois, on May 29, 1950. Source stated that this committee was once an affiliate of the now defunct National Committee for Peaceful Alternatives (NCPA).

Source further advised that the ICPA was composed of intellectual and religious workers and its program called for negotiated peace and for peaceful settlement of all differences between nations. The committee advocated more friendship internationally and was opposed to the so-called "cold war" aggressive foreign policy of the United States.

The same source, on January 6, 1961, advised that the South Shore Committee for Peaceful Alternatives (SSCPA), the last remaining division of the ICPA, dissolved on December 18, 1960. Source said that DOROTHY HAYES was Chairman of the SSCPAs at the time of its dissolution.

During July, 1960, another source advised that DOROTHY HAYES, as of that date, was a member of the State Committee of the Communist Party (CP) of Illinois.

[REDACTED] advised on June 26, 1957, b7D that the NCPA was formed as a result of the Mid-Century Conference for Peace held in Chicago about May, 1950, with the initiating force being the Committee for Peaceful Alternatives (CPA) of New York. According to the source, subsequently local chapters were formed in various states, including Illinois, and the NCPA became known as the CPA. This national organization continued to exist in Chicago until about 1955, when it became defunct. According to the source, the stated purposes of the organization generally were to promote peace through negotiation, to prevent atomic wars, and promote peaceful co-existence. It was a broad mass organization consisting of people interested in peace, including ministers, intellectuals, scientists, etc. The organization was infiltrated by and used, but never controlled by the CP.

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

NATIONAL LAWYERS GUILD
CHICAGO CHAPTER

A source advised on June 22, 1960, that it was his understanding that the National Lawyers Guild (NLG) was formed around 1936 in New York City and that the Chicago Chapter of the NLG (CCNLG) was formed shortly thereafter, possibly in 1937, by a group of liberal progressive lawyers in protest against the non-liberal, non-progressive American Bar Association. The CCNLG has no established headquarters but occasionally uses the return addresses of its officials on literature. The current CCNLG President is PEARL M. HART, who is also a member of the NLG National Executive Board.

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

NATIONAL LAWYERS GUILD

The National Lawyers Guild has been cited as a Communist front which "is the foremost legal bulwark of the Communist Party, its front organizations, and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents".

(Committee on Un-American Activities, House Report 3123 on the National Lawyers Guild, September 21, 1950, originally released September 17, 1950.)

The Communist Party, USA, has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

MIDWEST COMMITTEE FOR PROTECTION OF FOREIGN BORN

The Midwest Committee for Protection of Foreign Born (MCPFB) maintains offices at Room 406, 189 West Madison Street, Chicago 2, Illinois.

[REDACTED] b7D
[REDACTED] advised that the MCPFB was founded at a conference held in Chicago, Illinois, on May 25, 1947, and that the MCPFB was to operate as the Midwest organization of the American Committee for Protection of Foreign Born (ACPFB).

On May 5, 1955, a source advised that in a "Statement of Principles" issued in April, 1955, by the MCPFB, it was noted that "The purpose of the Midwest Committee shall be to seek to perpetuate for the foreign born the fundamental concepts of equality regardless of race, color, creed, nationality, political belief or place of birth, and to preserve the basic ideals of liberty and hospitality which serve as the guarantees of democracy for all Americans."

A second source, as of May 19, 1960, advised that the MCPFB continued to function as the Midwest organization of the ACPFB and still adhered to its "Statement of Principles" last published in 1955.

The ACPFB and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order #10450.

CHICAGO BRANCH

A source advised on July 12, 1960, that it was his understanding that the currently active Chicago Branch of the Socialist Workers Party (SWP) was one of the founding branches of the SWP at a 1938 Chicago Trotskyist Convention, and it follows the aims and principles of the SWP which maintains national headquarters in New York City.

Members of the Chicago Branch serve on the SWP National Committee and per capita membership dues and a sustaining fund quota are sent by this branch on a monthly basis to SWP National Headquarters.

[REDACTED] b7D

A characterization of the Twin Cities Branch of the SWP is contained in the appendix attached hereto.

[REDACTED] b1

[REDACTED] on [REDACTED] made available a brochure containing the program for the "Freedom Week" scheduled to be held in Washington, D.C. This brochure described the "Freedom Week" as a "convening of Americans united in the request that MORTON SOBELL be granted a commutation of sentence during the traditional Christmas amnesty". This brochure also contained a statement that the Central Labor Union Council of Minneapolis was on record favoring a new trial for MORTON SOBELL. b7D

The November 6, 1960, issue of "The Worker" on page 12, in reporting on the "Freedom Week" stated in part as follows:

Widespread appeals in behalf of freedom for Morton Sobell, imprisoned scientist, will be climaxed by a national gathering in Washington, D.C., Nov. 19-21.

The participants are seeking a Presidential commutation during the traditional Christmas amnesty season this year.

An appeal to President Eisenhower, signed by more than 1,000 clergymen of different faiths, will be presented at the White House.

Those joining in the weekend activities will hold a sundown prayer for Sobell's Freedom at the White House on Sunday, Nov. 20.

Monday, Nov. 21, will be spent by delegations visiting government officials to request action on Sobell's behalf.

Representative speakers will address a banquet at the Hotel Shoreham on Saturday, Nov. 19, to urge a commutation of sentence for Sobell, who is now in the 11th year of a 30-year sentence on the charge of "conspiracy to commit espionage". He was tried together with Ethel and Julius Rosenberg in 1951.

There will be a panel discussion at the Shoreham on Sunday, Nov. 20, featuring a presentation of "Facts and Issues in the Sobell Case".

"The Worker" is an East Coast Communist publication.

The "Minneapolis Morning Tribune", a metropolitan newspaper in the Twin City area, on November 17, 1960, on page 19, reported the following:

A group of 69 clergymen from the Twin Cities area have signed an appeal asking President Eisenhower to commute the 30-year sentence of convicted atom spy Morton Sobell, sponsors of the appeal said Wednesday.

The Rev. Kenneth Beck, pastor of Christ Methodist church, maplewood, will join the national delegation of clergymen who will present a national clergy appeal to the President during a Washington convocation Saturday through Monday.

The group asks for commutation, noting that Sobell "has served 10 years of a 30 - year sentence imposed during a height of national tensions in this country.

On November 21, 1960, [REDACTED] and [REDACTED] of the White House Police, advised that on that day a petition was given to Reverend FREDERICK FOX of the White House Staff asking for clemency or new trial for MORTON SOBELL. [REDACTED] advised that this petition was presented to Reverend FOX by a group of 11 individuals and that KENNETH BECK of St. Paul, Minnesota, was one of the individuals presenting the petition. b7c

On the same date [REDACTED] U.S. Department of Justice, advised SA [REDACTED] that a petition requesting the release of MORTON SOBELL had been given to him that date. This petition having 16 pages of names, included among the signers Reverend KENNETH BECK, 2500 Hudson Road, St. Paul, Minnesota. b7c

The December 9, 1960, edition of the "Minneapolis Star", a metropolitan newspaper in the Twin Cities area, carried in its section of letters to the editor the following letter written by JEAN BRUST:

The Minnesota Sobell Committee would like to call to attention that Jack Soble who several years ago confessed to being a Soviet spy and the Dr. Robert Soble who is at present being accused of espionage are in no way connected with Morton Sobell.

Morton Sobell, who is now in his 11th year of imprisonment of a 30-year sentence, has steadfastly maintained his innocence of the conspiracy to commit espionage charge on which he was convicted in the Rosenberg trial. Not only has he maintained his innocence of this charge, but many eminent people in the United States and the rest of the world, who have studied the trial record of Morton Sobell, have become convinced that he is innocent. One of the supporters, Dr. Harold Urey, after reading the trial transcript said, "I am astounded at how little there was about Sobell in the trial. You cannot tell what he is even supposed to have done."
